Profile

Bachelor's degree in Digital Media, searching for a position in design, marketing, or advertising. Over five years experience in design and web.

Experience

Senior Designer, ThinkBox Design Marketing Provo, Utah 2008-Present

Developed and implemented various programs such as: designer training, file naming conventions, folder structure, production order forms, prepress procedures and data backup. Each program has been an asset in designer productivity while eliminating costly errors. Met with clients and developed custom branding and marketing strategies. Designed and built websites for clients.

Freelance Graphic Designer, Red Knight Studios American Fork, Utah 2003-2008

Created print, web and video design for multiple clients. Successfully managed multiple projects and deadlines. Established communication between vendors.

NutraPrint Designer, Nutraceutical Corporation Ogden, Utah 2007-2008

Worked directly with prepress designer, press operators and brand managers to create designs that were consistent with brand identity and increased product placement.

Lead Graphic Designer, Utah Valley University Orem, Utah 2005-2007

Managed a team of designers for the UVU Athletics Department. Developed multiple branding standards for the design team in order to maintain a consistent image for future athletic seasons.

Education

Utah Valley University, Orem, Utah — Bachelor of Science, 2007

Skills

Fluent in design software including Adobe CS4 and Quark. Proficient in front end and back end web design, including Flash, Dreamweaver, Joomla, DotNetNuke, Wordpress, CSS, PHP, and XHTML. Comfortable leading print and web design teams in a fast paced, deadline oriented environment. Proficient with MAC and PC.
